An act to amend Section 11357 of the Health and Safety Code, relating to controlled substances.

LEGISLATIVE COUNSEL'S DIGEST

SB 131, as amended, Sher. Marijuana: possession: penalty.

~~(1) Existing~~

Existing law provides, that, except as authorized by law, every person who possesses not more than 28.5 grams of marijuana, other than concentrated cannabis, is guilty of a misdemeanor, punishable by a fine of not more than \$100, and if that person has been previously convicted 3 or more times of that offense during the previous 2 years *and has been found guilty of the current offense after a trial, or has admitted guilt*, the person is eligible for diversion, as specified.

This bill would instead provide that (a) except as authorized by law, every person who possesses not more than 28.5 grams of marijuana, other than concentrated cannabis, is, for the first offense, guilty of an infraction, punishable by a fine not to exceed \$100, and is, for the 2nd *or any subsequent* offense, guilty of an infraction or a misdemeanor, punishable by a fine not to exceed \$100; and (b) if that person has been previously convicted 2 or more times of that offense during the previous 2 years, the person is eligible for diversion, as specified. To the extent that this bill would increase the duties of local officers by providing for the diversion of offenders after a 2nd rather than 3rd offense, this bill would impose a state-mandated local program upon local governments.

~~(2) Existing law provides that in any case in which a person is arrested for possessing not more than 28.5 grams of marijuana, other than concentrated cannabis, and does not demand to be taken before a magistrate, the person shall be released by the arresting officer upon presentation of satisfactory evidence of identity and giving his or her written promise to appear in court, and the person shall not be subjected to booking.~~

~~This bill would delete the above provision. By subjecting a new group of offenders to booking, this bill would impose a state-mandated local program upon local governments.~~

~~(3) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement, including the creation of a State Mandates Claims Fund to pay the costs of mandates that do not exceed \$1,000,000 statewide and other procedures for claims whose statewide costs exceed \$1,000,000.~~

~~This bill would provide that with regard to certain mandates no reimbursement is required by this act for a specified reason.~~

~~With regard to any other mandates, this bill would provide that, if the Commission on State Mandates determines that the bill contains costs so mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.~~

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement, including the creation of a State Mandates Claims Fund to pay the costs of mandates that do not exceed \$1,000,000 statewide and other procedures for claims whose statewide costs exceed \$1,000,000.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

State-mandated local program: yes.
